Soul Reaper Aug 08 2020 Ronnie's a Reaper. Officially she's a retrieval analyst for hell. But the demons and angels who would sell their souls for her job know what she really does for a living. She fetches lost cherubs, and gets to enjoy all the perks of life on earth in the process. She might appreciate the position a little more if: a) she could remember anything about her life before she started working at Ubiquity, b) the damned voice in her head

would just shut up already, and c) her boss weren't a complete control freak. On top of that, her favorite incubus-with-benefits is acting super possessive. Her mentor, Lucifer, is being more cryptic than normal. And the two most powerful angels in history are there whenever she turns around—Gabriel seducing her, and Michael pushing her away. Ronnie's struggling to keep her sanity and job, while stopping the voice in her head from stealing her life. The last thing she needs is the complication of falling

for an angel... or an entire harem of heavenly and demonic hosts. Publisher's Note: *Soul Reaper* is a #WhyChoose novel where relationships are built across the series. It was previously released as *Uriel's Descent*. It has been edited and revised for this re-release. Drive Me Wild Jun 17 2021 She's starting a new life. He's reclaiming the one he lost. Ginny's not embarrassed that she put herself through medical school by stripping... ...but the job leaves people with preconceived notions.

Doing her residency on the other side of the country, where no one knows her past, seems like a good way to put that behind her. She just needs to find a ride, and a judgmental geek with more opinions than common sense is her best option. Mason screwed up when he pushed away the love of his life... ...and now she's marrying someone else. He doesn't want to win her back, he just wants to know where he went wrong. Even if it means attending her wedding on the other side of the country, so he can ask. Taking love advice from his traveling companion—a woman who takes her clothes off for a living—isn't ideal, but he'll try anything at this point. Pulling away each other's masks has consequences neither is prepared for. Their hearts and lives may never recover from being driven wild. The start-up gaming company I work for likes to push boundaries, including adult ratings, no limit on in-game partners, and some moderately graphic depictions of all the different ways to get down and dirty with two or more people. Given that I'm inching my way toward forty and my experience in the bedroom is limited to a couple of less than attentive ex-boyfriends, I'm not sure I can pull off the realistic designs that are expected of me. Two sexy men have got my back... and my front... and every bit of me from head to toe. Because they're going to help me work through the various positions the game is

supposed to portray. In front of a camera. For drawing reference, of course. And as long as I remember this is all for purely research purposes, I'll be fine. I can remember that, right? Rival Nov 22 2021 Her world revolved around him. Then he left. She's determined to show him what he walked away from... When Ian left for college. Mercy begged to go with him. He refused. Mercy found her own way out. More than a decade later, it will take her best friend's wedding to bring her back to town for more than a layover. Mercy's here for Liz. That won't stop Mercy from teasing, tempting, and pushing Ian's limits... Mostly to show him what he left behind. Only partly because he looks like a god in his tux. The moment Ian sees Mercy—confident, stunning, and definitely all grown up—he wants a taste before she vanishes back to the big city. Then Liz discovers her fiancé is already married to someone else. Ian won't add more heartbreak to his sister's life by hitting on her best friend. Besides, Mercy's advertising firm is competing with Ian's for the same make-or-break-me contract. Mercy and Ian are determined to go their separate ways, but fate has other plans. As they're thrown together again and again, the temptation of forbidden fruit proves impossible to resist... but giving in could send their worlds, and the lives of those they care about most, spiraling out of control. But when the guy I've crushed on for ages stumbles on my stash of toys, and offers to teach me how much fun they are with a partner, there's no way I'm saying no. Especially when his boyfriend wants to watch. It's just a one-time thing, though. Which is good, because I need headspace to focus on the Hollywood designer who's trying to scam me and others like me out of our hard-earned money. She's making my life a living hell for exposing her to the internet. Jax and Grayson offer a tempting distraction by exposing me. In my bedroom. At a company holiday party... If I can't unravel how I feel about them, and sift through the Hollywood-style legal trouble we've brought crashing down around us, the only things I'll be getting for Christmas are a broken

career and a shattered heart. Roll Against Betrayal Feb 23 2022 Sydney needs a lucky break. She's exhausted her resources trying to make her dream come true. She spends what little income she has touring the convention circuit, getting her tabletop game out there. When her assistants stand her up at the biggest show on her schedule, she's close to her breaking point. Until the sexy guy in the coffee shop offers to help her for the weekend. There's no harm in looking, and maybe a little (or a lot of) touching, if they'll never see each other again. Dylan is hoping to impress the senior partners. He put himself through law school working for one of the biggest firms in town, and now that he's passed the bar, he needs to make a good impression to move up in the ranks. A contract negotiation for a huge publisher sounds like the perfect way to do that. He doesn't expect the geeky hottie he hooked up with over the weekend to be on the other side of the negotiating table. Josh has to find a way out. His family name decorates one of the biggest law firms in town, and he's expected to take up those reins. He's got different plans. If he can impress the right people in his current contract negotiation, he can step sideways into publishing. When his roommate, Dylan's, weekend hookup turns out to be Josh's ex, a casual hook-up leads to a night of two roommates pleasuring the woman Josh used to love. He remembers why he and Sydney were so good together, but as their futures point in different directions again, he also remembers why things didn't work out.

Hooking up again is the worst idea ever for all of their careers, but the heat of forbidden lust is difficult to ignore. If they get caught, it will cost them everything. If they fall in love, things could get even worse. No matter what you are facing right now, know that you are not alone and you can move forward from this dark place. The pain you are experiencing can be the power and driving force that leads to healing and peace. Through the moving stories inside these pages, you'll discover that there is hope and that it's possible to create a fulfilling, joyful life. Behind the Power brings together an authentic, profound compilation of women's voices. These courageous souls share their deepest stories (some for the very first time) and the powerful lessons they learned during some of the most horrific times of their lives. Each of these women faced a life-changing crossroads and they chose to follow their inner voice, strength, and bravery. While they each were immersed in their own fear, they turned to the power behind their pain for guidance. Through their experience, some learned to be still while others followed their intuition and took massive action. Each outcome, while different, has one common denominator - trusting in the Universe. Through it all, each learned that their pain is what is Behind the Power that pushed them to fight for themselves. This power is what motivates them to share their stories so that they can help

others tap into their soul and change their lives forever. For more information, visit www.AllysonRoberts.com.

His Infatuation Jan 13 2021 Alyssia's animal shelter needs a boost of cash to expand its center for abused pets. When her older brother's best friend, Tate, offers her first access to his crowdfunding startup, she has a million reasons to say yes. And only one reason to say no—she's crushed on Tate forever, and he doesn't feel the same. As long as she remembers he's just eye candy, it'll be fine. She wants happily ever after, not just happy until the morning after. Tate's taking the family business to new places, adding a crowdfunding portal for small companies. He just has to ignore the fact the woman using one of his pilot sites isn't the bratty tag-along she used to be. Alyssia's grown up, filled out, and has a sexy mind on top of it all. Not that it matters. Tate never hooks up with clients, and he's certainly not going to pursue his buddy's sister. When Alyssia's shelter suffers from slanderous press, the backlash threatens both their businesses. They find stress relief in each other, and an unforgettable night of no-strings passion. The fallout will destroy families, careers, and lifelong friendships if Tate and Alyssia can't admit how they really feel. The Valkyrie they loved in her previous lives, who's been reborn over and

over. But when they find her, she doesn't remember her past lives. If they can't show Kirby the truth about who she is, and help her achieve immortality, they may lose her to death again. Seductive Soul Ronnie's not sure what to expect from demon orientation. "Go experience the world" is kind of a vague statement. Then she meets her guide for the weekend. Irdu is a sexy incubus who's up for anything she can imagine. But when she discovers he's been keeping secrets, their fun may be over before it starts. Courting Mortality When it comes to the destinies, fates, and curses that come with being a demi-god, Eli got screwed over. He's spent eternity thwarting the same family curse that granted his brother, Loki, ever-lasting fame. As long as Eli doesn't fall in love, no one gets hurt. And then he meets Marley. Seducing Destiny The vengeance of the gods has ripped love from Blake three times. He's not making the mistake of falling for a mortal again. He's shelved his personal life and dedicated the rest of eternity to ensuring those individuals with a destiny are able to fulfill it. When he meets the curvy, gorgeous Luci, he's forced to admit fate may not be done with him yet. BURNING FOR THE BARON Jun 25 2019
Like a moth to the flame... Maximillian Atwood,
Baron of Sutton, is consumed with guilt. The
lives he saved as a spy for the Crown are never
enough to atone for those he destroyed. Retired

now, the woman he hurt the most is the one he
can't avoid. She works for him, haunts his
dreams ... sets his body on fire. She's the
woman he desires most, and she doesn't know
he's responsible for her husband's death.
Longing for independence, Colleen Bonner
takes on a scandalous new job as manager for a
bawdyhouse. Having money in her pocket feels
heavenly; the way her new employer makes her
burn feels even better. But she won't let the
searing heat she and Max create melt her
heart. Because Colleen has a secret of her own
and if discovered, her life could go down in
flames. When an enemy from Max's past
resurfaces and takes aim at Colleen, Max is
torn between duty ... and revenge. For now that
he knows what it truly means to love, he'll do
anything to protect Colleen, even if it means
watching their future together go up in smoke.

His Reputation Apr 03 2020 Scott McAllister's
attitude is as much a part of his software
empire's public image as its bestselling video
games—there's no way he's letting his board of
directors force him to behave just because
someone might be watching. Then he meets his
new publicity manager. Kenzie Carter is
gorgeous, intelligent, and organized to a fault.
Having her around is the perfect excuse to get
down and dirty during business hours, show her
the appeal of embracing chaos, and still claim
he's complying with the board's edict. And as
long as he doesn't fall for the woman who's
supposed to make over his geeky exterior, he
can pretend screwing around with her isn't a

Max and Taylor have spent the last decade running. From the people who killed their families. From an organization that wants to experiment on them... dead or alive. And from an epidemic that could drive Taylor mad and unleash his psychic abilities. As someone whose mind can't

be read, Max is his link to sanity. But even fugitives need to earn a living. As one of the world's most notorious hacker teams, Max and Taylor burrow their way in to digital closets to find the darkest secrets of their powerful targets, and expose them for all to see. The biggest drawback—a list of ruthless enemies who want to see them crash and burn. Literally, if possible. Can break hearts and destroy careers. Years ago, heartbreak corrupted Jared Tippins's outlook on love. He spun the betrayal into a rapid climb up the corporate ladder, and swore off any relationship with a morning after. Luckily, the playful siren who rescues him from singing a duet alone in a karaoke bar doesn't want anything long term. If only he could stop fantasizing about ways to make her moan. Sure, she could've mentioned he works for the competition. At least she's not behind the security concerns that have plagued his company for almost six months. If she were, he'd be screwed on a whole new level. Mikki Elford is determined to have the fun she missed out on when she fast-tracked her way through college. But school had its upside, too. She's qualified to legally hack corporate networks. Best job ever. She also gained an appreciation

for the legends in computing — Gates, Jobs, and Tippins. When she meets Jared Tippins and realizes he's sexy and fluent in programming languages older than she is, no consequence will dissuade her from an impromptu fling. Fortunately, he doesn't mind that six months ago she compromised his network to land her job. Oh, crap. He doesn't know. Lucky for her, she has still has Irdu... And the ultimate promotion—an executive position at Ubiquity. As the public face of the world's largest search engine, she's got plenty to keep her busy. When

the SEC comes knocking, because Lucifer did a poor job of hiding how heaven and hell funded a global corporation, Ronnie's problems are just starting. Angels and demons are vanishing, and no one knows why. Oh, and there's the matter of someone with other-worldly power, destroying buildings and city blocks from Boston to Moscow, then posting the videos online. The chaos tears her from Irdu. The questions it raises lead her to Michael and revelations about his involvement she's not prepared to face. Her time to decide who she can trust is running out. If she doesn't find her answers in time, heaven and hell will be exposed to the world, and humanity will pay the price. No strings. No obligation. No excuses the next morning... Until she wakes up engaged. Gwen's heard it all, and lived half of it, when it comes to dates gone wrong. Saying she's jaded about love is the ultimate understatement. But sometimes a gal wants a more physical connection than her battery-operated-boyfriend can provide. Solution—one night stand. Between running a multi-billion dollar lingerie company, and fighting for custody of his daughter, Brad doesn't have time for things like long-term relationships. Especially since his ex has convinced the judge that his sleeping

around creates a bad environment for their child. When his ex-wife drops off their girl without warning one morning and catches him in bed with Gwen, he introduces her as his fiancée, rather than risk another notch against him in court. Now, two people who don't believe relationships last more than a month, let alone in happily ever after, are putting on the ultimate performance and struggling to keep their hearts separate from their engagement. If they fail at faking forever, the consequences could ruin more lives than just theirs. Reagan Through the Looking Glass Apr 27 2022 To most people, Jabberwock is a myth. A horror story that politicians and CEO's tell their interns, about a mysterious figure who pulls the strings of the world's most powerful, from the shadowy corners of the deep web. Reagan knows he's real. Jabberwock is the reason people around her are dying. Two men insist they can keep her safe and help her find answers. Hare is sweet, soft-spoken, and

introduces her to a wicked walk on the wild side, spiced with temptation and thrill. Hatter has kept secrets from her since they met. But he speaks her language, and a single touch from him ignites her desire. As she follows the tracks down the rabbit hole, Reagan is dropped headfirst into a world of the dangerous and surreal, where everything and everyone has a price. And her time is running out to discover if it's the Hatter or the Hare who owns Jabberwock's bounty on her. Publisher's Note: This book was previously released under the same title. It is part one of a duet. It does not stand alone. Book two is The Hatter and The Hare. Come Now, Let Us Argue It Out Jul 27 2019 Jon Burrow-Branine challenges common narratives about what it means to be LGBTQ and Christian in the contemporary United States.

His Cosplayer Nov 10 2020 Her best friend owns his own comic shop, respects her fandom, and offers to add a with benefits clause to their relationship, to distract her from the stresses of work. What more could a geek-girl ask for? Tori thought being the head designer and co-owner of a cosplay-themed lingerie company meant a chance to create. Instead of coming up with new ideas of her own, she spends all her time drawing others' concepts, and managing her half the corporation. The pressure pushes her past the edge of frustration. Her best friend and Sunday afternoon movie buddy, Archer, offers her an outlet—sex, minus the emotional attachment. When getting off takes a graphically novel turn, Tori realizes dirty talk is

a massive turn-on. The rush of speaking her mind bleeds into the workplace, and the backlash leaves Tori staggering. On top of that, she hasn't protected her heart from Archer as well as she intended. Now the novelty of saying what she thinks threatens to screw Tori out of her job and her closest friend. Their worlds collide again when Damon is appointed Head Attorney for a defendant that could bring Vivian's entire network security company crashing down around her. As sparks fly and old passions resurface, Damon promises they can keep the past and present separate. He demands control in the bedroom, but they agree to keep things professional in the outside world. Each time he ties her up, pins her down, and commands her pleasure, the line between then and now blurs a little more. One of them has to surrender everything if they want to stay together, and both wonder if they're strong enough to walk away from their passions a second time. chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological loci scattered throughout various time periods, movements, and controversies. In *Historical Theology*, Gregg Allison offers students the opportunity to study the historical development of theology according to a topical-chronological arrangement, setting out the history of Christian doctrine one theological element at a time. Such an approach allows readers to concentrate on one tenet of Christianity and its formulation in the early church, through the Middle Ages, Reformation, and post-Reformation era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Allison references the most accessible editions of these notable theologians' work so that readers can continue their study of historical theology through Christian history's most important contributors. *Historical Theology* is a superb resource for those familiar with Wayne Grudem's *Systematic Theology* or interested in understanding the development of Christian theology.

Riding the Wave May 05 2020 When the past and present collide, is the risk of falling in love worth the reward? The entire network for Spencer's theme park crashes on Christmas Eve, and it's the rotten cherry on top of an

already sucky night. Fortunately, the on-call tech is the perfect distraction. Sexy, smart... and his best friend's much younger sister. Talk about off-limits. Trina's ready to give the asshole on the other end of the support line a piece of her mind—how dare he take out his frustrations on her because his night is going bad? When she comes face-to-face with the gorgeous owner of her company's biggest client, drooling replaces anger. She's always had a thing for Spencer, but her memory lied about just how hot he is. Trina has a hard enough time proving she's as good, or better, at her job than the guys she works with, without adding in another rumor about her sleeping her way into the position. And Spencer's ex-wife is looking for a way to prove he can't keep it in his pants when it comes to the women he works with. Is riding the wave of lust worth the risk, or will it bring everything they've worked for crashing down around them? What I don't yet know is that her life is already in danger. I have so many regrets. If we had never met, she'd be safe now. Some love stories are a slow burn. Ours was quick to ignite, scorching and branding our souls before we've even taken that first breath. From bestselling author Charlotte Byrd comes an intense romance about debts, lies and secrets and the extent to

which people go for love. Everything around me blurred and all that existed were his lips, his touch... The chase and the heat between us became addictive. Our nights together were a distraction; one we craved to the point of letting the world crumble around us. We should have paid attention; we should have known that it would come to this. We both knew it couldn't last, but that didn't change what we desired most. All we wanted was each other... Dark Temptation is the fourth novel in the Dark Intentions series. It is a dark romance/romantic suspense about debt, lies, wealth, crime and family bonds.

Her Airman Mar 15 2021 They toed a line while he was deployed. Flirting. Dirty-Talk. Mutual self-gratification. Nothing was off limits. Now he's back, and these best friends have to figure out where they stand. Riley falls hard and fast for the guys she dates, and it never ends with the wedding bells she expects. Tired of the heartbreak and unsure she even knows what love is, she swears off unreliable things like dating and trying to find that elusive happily-ever-after spark. Which is great, except she misses the physical part of being half a couple. Fortunately, now her best friend, Zane, is back from his military deployment, he offers to tie her up in the bedroom with no expectations. Zane's holding something back, and Riley sees how much the secret haunts him. If she can't help him overcome his demons, their friendship and their no-strings playtime may not survive. He doesn't expect Reagan to throw a wrench in his plans, though. Intoxicating, brilliant, and incredible in bed, she's knocked him off-kilter in a way he never expected. Hare has been called a lot of names

in his time—fanatical, mad, and obsessive are at the top of the list. But he's so close to getting what he wants. No one stands in his way, until Reagan. Her view of the world is an odd blend of rose-colored cynicism, and the things she lets him—begs him to—do her body, haunt his dreams and darkest fantasies. But she could ruin his life if he doesn't move the chess pieces right. Both men will risk their livelihoods, connections, and power to have her, but only one will kill if he can't. Publisher's Note: This book was previously published under the same name. It is part two of a duet. It does not stand alone. Book 1 is Reagan Through the Looking Glass. Alyson Blake had learned early on that the only one she could depend on was herself. The only light in her life was a boy whom everyone agreed was destined for prison; but with his first kiss, he had set her soul on fire. Since the day the police dragged him away in handcuffs, she had managed to lead a quiet life, but when she attends an event fraught with mayhem, trouble resurfaces. The one person she can't forget... Jamison Weston is the kind of guy dads load their shotguns for; endowed with a hot temper and a rap sheet as long as both tattooed arms. Known as "The Judge," Jami's hot temper, lethal fists, and cocky attitude have earned him respect and admiration both in and out of the ring. But just when he thinks he's pummeled his past to death, Alyson Blake reenters his life. Two paths collide... After years of separation, Alyson is eager to reexplore the

man who's never left her thoughts, but for Jamison, she's both the distraction he wants, but doesn't need. As the two embark on a relationship that neither of them expected or bargained for, an outside threat closes in. When Alyson crosses the line of professionalism and takes her work home with her, her life is put in danger, leaving Jamison with no choice but to once again step in and become her protector. **Book One in a two part story.**

Faking Hate Jun 05 2020 Jodie's got the perfect life plan—finish her graduate work at Stanford, land an internship at the most advanced transplant-research firm in the country, and become an innovator in the same field. There's no room in her life for the random variable and a one-night stand with a guy who has no interest in sharing the responsibility of a child. The only person she can turn to is the stepbrother who made her life a living hell in high school. Logan is intelligent, sexy-as-hell, and asinine to a fault. He's got his kind moments, but they tend to end with him and Jodie screaming at each other... or screaming each other's names, after they lose all their clothes. If they can't stop the faking their hate long enough to find a solution for the pending new arrival in Jodie's life, they risk three futures. Author's Note: This book was previously released as Reluctant, and has minor new content for this re-release. Valkyrie Hunted Jan 31 2020 Every lover. Every betrayal. Every death. Kirby remembers it all. The gods will pay for the suffering they've caused in this life and those she's lived before. The only questions are where and how? She has new allies and lovers, but with a lifetime of betrayal guiding her, she doesn't know who to turn to. The trickster god who makes it easy to throw caution to the wind? The god of passion who sparks delight, terror, and desire with a single look? Kirby desperately wants one of those people she trusts to be the berserker who set her on this path both then and now, but lifetimes of playing both sides changes a person. Time is running out for her to find answers. Both about her lovers, and the gods she seeks to destroy before they can act on the prophecies that will allow them to topple modern empires. Failure means not just her destruction, but the death of thousands. Author's Note: Valkyrie Hunted was previously titled Death in the Night, and is a dark urban

fantasy that contains mention of self-harm, thoughts of suicide, and physical assault Other Books By Allyson Lindt Valkyrie's Legacy Series (Urban Fantasy) Valkyrie Reborn Valkyrie Hunted Valkyrie Concealed Valkyrie Crowned Three Player Co-op (Ménage Romance) Looking For It Waiting For It Asking For It Running For It Fighting For It Game for Cookies Series (Ménage Romance) Seduction Games Control Games Two Plus One (Ménage Romance) Their Nerd Their Matchmaker 3d20 Series (Ménage Romance) Roll Against Trust Roll Against Regret Roll Against Discovery Roll Against Betrayal Subscribe, Live, Love Series (Ménage Romance) Red Hunted Red Consumed Beauty Claimed Beauty Awakened Ubiquity Series (Urban Fantasy Reverse Harem) Seductive Soul Soul Reaper Soul Betrayer Truth's Harem Series (Urban Fantasy Reverse Harem) Fate's Illusion Innovation's Muse Apathy's Hero Ridden Hard (M/F Contemporary Romance) Hard Flip Hard Pack Riding the Wave Drive Me Wild Love Equation (Contemporary Romance) Rival Charmed by the Geeks Regret Restraint Love Games (M/F Contemporary Romance) His Reputation Her Airman His Cosplayer Love Hack (M/F Contemporary Romance) His Hacker His Infatuation Her Surrender Hacking Wonderland (Suspense) Reagan through the Looking Glass The Hatter and the Hare Painting the Roses Red Reigning Hearts Null Equation (Dystopian Romance) Over Exposed Over Stimulated Over Shared Stand Alone Titles Seeking More (M/F New Adult Romance)

Destined for Temptation (Paranormal Romance) What If Jesus Was Serious? Apr 15 2021 Daily Devotions for People Who Hate Daily Devotions Let's face it. A lot of Christian resources can feel cheesy, out-of-touch, and a little boring. But when Skye Jethani started doodling and writing up some of his thoughts about God, his Twitter and email list blew up. What If Jesus Was Serious? is a compilation of all-new reflections (and hand-drawn doodles) from Skye. He takes a look at some of Jesus' most demanding teachings in the Sermon on the Mount and pushes us to ask whether we're really hearing what Christ is saying. The visual component of the book makes it memorable and enjoyable to read, and Skye's incisive reflections make it worthwhile for any Christian. If you've traditionally been dissatisfied with Christian devotional resources but love to learn about Jesus and think deeply, this book was written for you.

Alpha's Temptation Jul 19 2021 MINE TO PROTECT. MINE TO PUNISH. MINE. I'm a lone wolf, and I like it that way. Banished from my birth pack after a bloodbath, I never wanted a mate. Then I meet Kylie. My temptation. We're trapped in an elevator together, and her panic almost makes her pass out in my arms. She's strong, but broken. And she's hiding something. My wolf wants to claim her. But she's human, and her delicate flesh won't survive a wolf's mark. I'm too dangerous. I should stay away. But when I discover she's the hacker who nearly took down my company, I

demand she submit to my punishment. And she will. Kylie belongs to me. Publisher's Note:

Alpha's Temptation is a stand-alone book in the

Bad Boy Alphas series. HEA guaranteed, no cheating.
