[Irreversible Damage](#) May 14 2021 NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES "Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts." —Janice Turner, *The Times of London* Until just a few years ago, gender dysphoria—severe discomfort in one's biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as “transgender.” These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story

from a speaker at a school assembly or discovered the internet community of trans “influencers.” Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and “gender-affirming” educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “detransitioners”—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls’ social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier’s essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

Cross My Heart Oct 19 2021 True love can blossom in unexpected places. This is Jaden pretending not to notice. . . . Jaden McEntyre and Parker Whalen are a wrong fit from the start. Jaden is driven and focused, Harvard Med School within reach. Parker has a past—a reputation—and the rumors about his mysterious habits abound. So there's no reason why, when they're assigned to work together on a project in English, they should discover they have anything in common, or even like each other, and they definitely shouldn't be falling in love. As they bond over Edith Wharton's tragic novella, *Ethan Frome*, the "bad boy" vibe Parker plays begins to dissipate. Soon, Jaden finds herself shedding her own "good girl" image: sneaking around to be with him, confiding in him, and ultimately falling hard for this leather-wearing, motorcycle-driving loner who plays into the rebel stereotype. Still, Jaden can't shake the feeling that there's more to Parker than he's letting on. He's hiding something from her, and discovering the truth means reconciling the Parker she's grown to love with the person he really is. Because it's possible that his life inside the classroom—everything Jaden knows—is one massive lie. **CROSS MY HEART**, told from Jaden's point of view, is a 76k-word/300-page contemporary romance for young adults. Bonus features include the official playlist and an interview with the author. * In addition to spending more than 100 days on the Amazon Teen Top 100 Bestseller List in its first year of release, **CROSS MY HEART** was also a 2011 Goodreads Choice Awards Nominee for Best YA Fiction. keywords: contemporary YA, teen drama, bad boy romance, romantic love story, coming of age, strangers to lovers
