**Making Sense of World History** Jul 31 2022 Making Sense of World History is a comprehensive and accessible textbook that helps students understand the key themes of world history within a chronological framework stretching from ancient times to the present day. To lend coherence to its narrative, the book employs a set of organizing devices that connect times, places, and/or themes. This narrative is supported by: Flowcharts that show how phenomena within diverse broad themes interact in generating key processes and events in world history. A discussion of the common challenges faced by different types of agent, including rulers, merchants, farmers, and parents, and a comparison of how these challenges were addressed in different times and places. An exhaustive and balanced treatment of themes such as culture, politics, and economy, with an emphasis on interaction. Explicit attention to skill acquisition in organizing information, cultural sensitivity, comparison, visual literacy, integration, interrogating primary sources, and critical thinking. A focus on historical "episodes" that are carefully related to each other. Through the use of such devices, the book shows the cumulative effect of thematic interactions through time, communicates the many ways in which societies have influenced each other through history, and allows us to compare and contrast how they have reacted to similar challenges. They also allow the reader to transcend historical controversies and can be used to stimulate class discussions and guide student assignments. With a unified authorial voice and offering a narrative from the ancient to the present, this is the go-to textbook for World History courses and students. The Open Access version of this book, available at <https://www.taylorfrancis.com/books/9781003013518>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.

**History of International Relations** Nov 30 2019 Existing textbooks on international relations treat history in a cursory fashion and perpetuate a Euro-centric perspective. This textbook pioneers a new approach by historicizing the material traditionally taught in International Relations courses, and by explicitly focusing on non-European cases, debates and issues. The volume is divided into three parts. The first part focuses on the international systems that traditionally existed in Europe, East Asia, pre-Columbian Central and South America, Africa and Polynesia. The second part discusses the ways in which these international systems were brought into contact with each other through the agency of Mongols in Central Asia, Arabs in the Mediterranean and the Indian Ocean, Indic and Sinic societies in South East Asia, and the Europeans through their travels and colonial expansion. The concluding section concerns contemporary issues: the processes of decolonization, neo-colonialism and globalization – and their consequences on contemporary society. History of International Relations provides a unique textbook for undergraduate and graduate students of international relations, and anybody interested in international relations theory, history, and contemporary politics.

**Breaking Away from the Textbook** Nov 22 2021 Teaching history should not be reciting an endless list of dead men, entombed between the covers of a textbook. Instead, Breaking Away from the Textbook offers a fascinating journey through world history. Not a comprehensive, theory-heavy guide, this book focuses on active classroom activities, methods for students to grapple with humanity's issues, and innovative ways to show students the relevance of the past to the world today. Simply put, this book makes world history fun. Soon, your students will be busy debating, thinking, applying, and learning about information that will stay with them for a lifetime. The key to this wonderful work is its incorporation of various disciplines including art, music, and writing to create a fun and active classroom. Volume I covers prehistory to the Renaissance and Volume II covers the Enlightenment to the 20th century. Includes pictures and drawings, appendices, indexes, maps, and a bibliography. Volume III: More Creative Ways to Teach World History covers ancient times through the 20th century and beyond. Appropriate for all grade levels.

**Voyages in World History** Jul 19 2021 The authors of VOYAGES IN WORLD HISTORY never forget that history is made up of the stories of people. Each chapter of the text centers on a story -- a traveler's account that highlights the book's main theme, the constant movement of people, goods, and ideas. The travelers include merchants, poets, rulers, explorers, soldiers, missionaries, and scholars, and their voyages provide a framework for each chapter that will capture students' interest and draw them into the stories of the people, places, and events crucial to understanding world history. Special features highlight connections across chapters, societies, and periods, helping students understand historical events in a global context. Available in the following split options: VOYAGES IN WORLD HISTORY, Third Edition Complete, Volume 1: To 1600, and Volume 2: Since 1500. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**World History Since 1400** Jul 27 2019 This is Volume II of WORLD HISTORY, Fourth Edition. Noted teachers and scholars William J. Duiker and Jackson J. Spielvogel present a balanced picture of world history, with all respect for the richness and diversity of the tapestry of the human experience. Critically and popularly acclaimed, their comprehensive text balances a global approach with attention to the unique character and development of civilization in divergent parts of the world. The text covers individual civilizations such as China, India, and Europe, with due attention paid to the rise of the West, and provides points of comparison between and among these civilizations. A wealth of primary-source documents, maps, and supplements enhance students' experience with the material. WORLD HISTORY is available in the following volume splits: WORLD HISTORY, Fourth Edition (Chapters 1-29) ISBN: 0534603637; WORLD HISTORY, Volume I: To 1800, Fourth Edition (Contains Chapters 1-17) ISBN: 0534603645; WORLD HISTORY, Volume II: Since 1400, Fourth Edition (Contains Chapters 13-29) ISBN: 0534603653; WORLD HISTORY, To 1400, Fourth Edition (Contains Chapters 1-12) ISBN: 0534603661.

*History Lessons* Jan 31 2020 A "fascinating" look at what students in Russia, France, Iran, and other nations are taught about America (The New York Times Book Review). This "timely and important" book (History News Network) gives us a glimpse into classrooms across the globe, where opinions about the United States are first formed. History Lessons includes selections from textbooks and teaching materials used in Russia, France, Iran, Saudi Arabia, Cuba, Canada, and others, covering such events as the American Revolution, the Cuban Missile Crisis, the Iran hostage crisis, and the Korean War—providing some alternative viewpoints on the history of the United States from the time of the Viking explorers to the post-Cold War era. By juxtaposing starkly contrasting versions of the historical events we take for granted, History Lessons affords us a sometimes hilarious, often sobering look at what the world thinks about America's past. "A brilliant idea." —Foreign Affairs

*World History* Nov 10 2020 World History: Journeys from Past to Present uses common themes to present an integrated and comprehensive survey of human history from its origins to the present day. By weaving together thematic and regional perspectives in coherent chronological narratives, Goucher and Walton transform the overwhelming sweep of the human past into a truly global story that is relevant to the contemporary issues of our time. Revised and updated throughout, the second edition of this innovative textbook combines clear chronological progression with thematically focused chapters divided into six parts as follows: PART 1. EMERGENCE (Human origins to 500 CE) PART 2. ORDER (1 CE-1500 CE) PART 3. CONNECTIONS (500-1600 CE) PART 4. BRIDGING WORLDS (1300-1800 CE) PART 5. TRANSFORMING LIVES (1500-1900) PART 6. FORGING A GLOBAL COMMUNITY (1800- Present) The expanded new edition features an impressive full-color design with a host of illustrations, maps and primary source excerpts integrated throughout. Chapter opening timelines supply context for the material ahead, while end of chapter questions and annotated additional resources provide students with the tools for independent study. Each chapter and part boasts introductory and summary essays that guide the reader in comprehending the relevant theme. In addition, the companion website offers a range of resources including an interactive historical timeline, an indispensable study skills section for students, tips for teaching and learning thematically, and PowerPoint slides, lecture material and discussion questions in a password protected area for instructors. This textbook provides a basic introduction for all students of World History, incorporating thematic perspectives that encourage critical thinking, link to globally relevant contemporary issues, and stimulate further study.

*World History, Culture, and Geography* Aug 20 2021 This resource book is designed to assist teachers in implementing California's history-social science framework at the 10th grade level. The models support implementation at the local level and may be used to plan topics and select resources for professional development and preservice education. This document provides a link between the framework's course descriptions and teachers' lesson plans by suggesting substantive resources and instructional strategies to be used in conjunction with textbooks and supplementary materials. The resource book is divided into eight units: (1) "Unresolved Problems of the Modern World"; (2) "Connecting with Past Learnings: The Rise of Democratic Ideas"; (3) "The Industrial Revolution"; (4) "The Rise of Imperialism and Colonialism: A Case Study of India"; (5) "World War I and Its Consequences"; (6) "Totalitarianism in the Modern World: Nazi Germany and Stalinist Russia"; (7) "World War II: Its Causes and Consequences"; and (8) "Nationalism in the Contemporary World." Each unit contains references. (EH)

**World History and Geography** Apr 03 2020 This document is a response to teachers' requests for practical assistance in implementing California's history-social science framework. The document offers stimulating ideas to enrich the teaching of history and social science, enliven instruction for every student, focus on essential topics, and help make learning more memorable. Experiences and contributions of ethnic groups and women in history are integrated in this course model. The framework is divided into 11 units: (1) Connecting with Past Learnings: Uncovering the Remote Past; (2) Connecting with Past Learnings: the Fall of Rome; (3) Growth of Islam; (4) African States in the Middle Ages and Early Modern Times; (5) Civilizations of the Americas; (6) China; (7) Japan; (8) Medieval Societies: Europe and Japan; (9) Europe During the Renaissance, the Reformation, and the Scientific Revolution; (10) Early Modern Europe: The Age of Exploration to the Enlightenment; and (11) Linking Past to Present. Six of the 11 units delineated in the framework's 7th grade course description are developed in these course models. All units follow the same format. Each begins with a rationale and overview. Ways are suggested for teachers to coordinate the model with the state-adopted textbook for 7th grade. A presentation of activities to introduce and continue the sample topic are suggested to encourage students to apply what they have studied through projects. Each unit ends with an extensive annotated list of sample resources. (DK)

The Student's Friend Concise World History Jan 13 2021 UNLIKE TRADITIONAL TEXTBOOKS that can overwhelm the reader with countless facts to absorb, the Student's Friend Concise World History highlights the most important developments of world history in a clear and concise manner that is capable of being comprehended by the human mind. Teachers have successfully used The Student's Friend in homeschool, middle school, high school, and college in the United States and abroad. Part 1 covers the period from prehistory to the year 1500; Part 2, the period from 1500 to the present. In contrast to other concise histories that may focus on impersonal historical processes, the Student's Friend includes men and women who helped to shape history and who illustrate timeless aspects of human nature. WHY A CONCISE HISTORICAL NARRATIVE? The Student's Friend is designed to be consistent with findings from cognitive science that emphasize learning the most important principles and concepts of a school discipline, rather than learning large quantities of superficial facts that are likely to be forgotten shortly after the exam is over. The respected Bradley Commission on History in Schools has said, "The amount of time required to achieve student engagement and genuine comprehension of significant issues will necessitate leaving out much that is 'covered' by the usual text." CONCISENESS CAN BRING CLARITY. Cognitive psychologist Frank N. Dempster has written, "Many texts are so packed with facts, names, and details that the real point of the lesson is often obscured." One of the greatest benefits of a concise historical narrative is the clarity it can bring to a student's understanding of history by focusing on essential knowledge rather than on extensive, sometimes confusing, and often-trivial detail.

ELIMINATES GAPS AND DISCONTINUITIES. Teachers can't adequately cover all the information contained in standard thousand-page textbooks, so they commonly skip around in the textbook, which can leave big holes in the historical narrative. The Student's Friend is designed to include no more information than students can realistically cover during a standard high school course. Because the picking and choosing has been carefully done and logically sequenced, continuity is maintained and gaps eliminated. BALANCES BREADTH AND DEPTH. The concise historical narrative leaves time in the curriculum for additional learning activities such as research papers, multimedia presentations, source-analysis activities, and simulations, a practice sometimes called "postholing." The narrative performs a unifying function like a fence that gives shape to the landscape and provides the connecting fabric between events, while postholes are occasions to dig more deeply into the human dimensions of history-to explore how events of the past affected people's lives then and now. The subject matter of world history is so vast that it can be a difficult subject to grasp and to teach. Teachers and students alike can benefit from the understandable picture of history provided by the Student's Friend Concise World History.

World History of Warfare Apr 27 2022 This book provides a wide-ranging and comprehensive coverage of warfare across times and cultures. Its main strengths are its ability to provide context for each period discussed, comparison between developments in Europe, Asia, and the colonized world, and critical and up-to-date bibliographies that allow the reader to pursue subjects in greater depth. - Jacket flap.
