Aa Maratheyum Marannu Marannu Njan Apr 03 2020 The powerful memory of a former love rules Radhika's inner world as she builds a small-time practice in Law, and attempts normalcy in a marriage she neither wanted nor resisted. Raped at age ten, raped again as a young collegiate, she is abandoned twice: first by her father and later by Christy who loved her, but takes her through a wedding ceremony only to leave her later the same day. When Christy returns sixteen years later, shattered and unstable, the burnt and withered roots of love bloom again. Trauma, betrayal, and loneliness are the colours that paint this picture of physical and emotional violence that Radhika endures.

The Defining Moments in Bengal Jun 25 2019 This work explores some of the constitutive elements in the life and mind of Bengal in the twentieth century. The author addresses some frequently unasked questions about the history of modern Bengal. In what way was twentieth-century Bengal different from 'Renaissance' Bengal of the late-nineteenth century? How was a regional identity consciousness redefined? Did the lineaments of politics in Bengal differ from the pattern in the rest of India? What social experiences drove the Muslim community's identity perception? How did Bengal cope with such crises as the impact of World War

II, the famine of 1943 and the communal clashes that climaxed with the Calcutta riots of 1946? The author has chosen a significant period in the history of the region and draws on a wealth of sources archival and published documents, mainstream dailies, a host of rare Bengali magazines, memoirs and the literature of the time to tell his story. Looking closely at the momentous changes taking place in the region's economy, politics and socio-cultural milieu in the historically transformative years 1920-47, this book highlights myriad issues that cast a shadow on the decades that followed, arguably till our times.

Timepass Mar 27 2022 Few lives have been more eventful and controversial than Protima Bedi's, and *Timepass*, derived from her unfinished autobiography, journals and her letters to family, friends and lovers, is a startlingly frank and passionate memoir. Protima recounts with unflinching honesty the events that shaped her life: her humiliation as a child at being branded the ugly duckling, repeated rape by a cousin when she was barely ten, the failure of her 'open' marriage with Kabir Bedi, her many sexual encounters, and the romantic relationships she had with prominent politicians and artistes. She writes, too, of her intense involvement with dance, her relationship with her guru and fellow dancers, the difficult mission of establishing Nrityagram, and the suicide of her son--a tragedy from which she never fully recovered. In a moving epilogue to the book, her daughter, Pooja Bedi, describes her last days and the circumstances of her death. Illustrated with over fifty photographs, *Timepass* is the story of a remarkable woman who had the spirit, the courage and the intelligence to live life entirely on her own terms. I have broken every single rule that our society has so carefully constructed. doing and never given a damn. I have flaunted my youth, my sex, my intelligence, and I have done it shamelessly. I have loved many, been loved by some...

To Kill A Democracy Jul 27 2019 India is heralded as the world's largest democracy. Yet, there is now growing alarm about its democratic health. *To Kill a Democracy* gets to the heart of the matter. Combining poignant life stories with sharp scholarly insight, it rejects the belief that India was once a beacon of democracy but is now being ruined by the destructive forces of Modi-style populism. The book details the much deeper historical roots of the present-day assaults on civil liberties and democratic institutions. Democracy, the authors also argue, is much more than elections and the separation of powers. It is a whole way of life lived in dignity, and that is why they pay special attention to the decaying social foundations of Indian democracy. In compelling fashion, the book describes daily struggles for survival and explains how lived social injustices and unfreedoms rob Indian elections of their meaning, while at the same time feeding the decadence and iron-fisted rule of its governing institutions. Much more than a book about India, *To Kill A Democracy* argues that what is happening in the country is globally important, and not just because every

third person living in a democracy is an Indian. It shows that when democracies rack and ruin their social foundations, they don't just kill off the spirit and substance of democracy. They lay the foundations for despotism.

The Falls Jul 31 2022 Ian Rankin's John Rebus, arguably the most realistic detective in crime fiction, is a brilliant but troubled man. When a young woman goes missing near his native Edinburgh, Scotland, Rebus finds himself just one small cog in the huge wheel of an inquiry set in motion by her powerfully rich father. Struggling to deal with both his own often-terrifying inner demons as well as the monstrous bureaucracy of the investigative team, Rebus finds himself drawn again and again into the case, desperately searching for the girl's salvation, as well as his own. In time Inspector Rebus uncovers two leads: one, a carved wooden doll stuffed tightly into a tiny casket, and the other the missing girl's possible involvement in a dark, disturbing Internet-based role-playing game. He enlists the help of the tech-savvy DC Siobhan Clarke, who is young enough to know her way around the net, but who may not be old and wise enough to avoid potentially deadly pitfalls and traps. Meanwhile, Rebus tracks down stories of similar caskets and dolls turning up in the area deep into Edinburgh's past, some stretching back to a time when body-snatchers turned into brutal killers. As Rebus and Clarke delve deeper and deeper into these perilous and obscure worlds, ancient and modern evils begin to converge and soon Rebus finds he's besieged by an impenetrable mass of secrets, lies, and deadly deceit that only he can make sense of. In *The Falls*, a brilliant addition to an award-winning series, both John Rebus and his creator, Ian Rankin, are at the top of their intense and satisfying form.

Amen Mar 15 2021 On 31 August 2008, Sister Jesme left the Congregation of Mother of Carmel. The authorities repeated attempts to have her declared insane, she says, left her no other option. This book, a first of its kind in India, is an outpouring of her experiences as a nun for thirty-three years. Spirited and fun-loving, from a good family, deeply-rooted in Catholicism, Jesme was drawn to religious life at seventeen after a Retreat at junior college. As a nun, seven years later, she felt distressed at the many ills growing inside the convent and being forced to remain silent about them. There was corruption, by way of donations for college seats; sexual relations between some priests and nuns, and between nuns; class distinctions whereby the cheduthies, or poorer and less-educated sisters, did menial jobs; and a wide gap between comforts and facilities enjoyed by the priests and nuns. Jesme was permitted to complete her doctorate in English Literature, to pursue her passion for literature, cinema and teaching college students. She exposed them to classic films, believing that aesthetics enhances spirituality. But these joys were clouded by the troubles she faced. Searing, sincere, and sensitive, *Amen* is a plea for a reformation of the Church and comes at a time of its growing concern about nuns and priests. It affirms Jesme's unbroken spirit and faith in Jesus and the Church, living like a nun, but outside the Four Walls of the convent.

Sri Ramakrishna Upanishad Jan 25 2022 This book is the English translation of the Ramakrishna Upanishadam written in Tamil by Sri C. Rajagopalchari. Budhini Sep 08 2020 On 6 December 1959, Prime Minister Jawaharlal Nehru went to Dhanbad district in Jharkhand to inaugurate the Panchet Dam across the Damodar river. A fifteen-year-old girl, Budhini, chosen by the Damodar Valley Corporation welcomed him with a garland and placed a tikka on his forehead. When these ceremonial gestures were interpreted as an act of matrimony, the fifteen-year-old was ostracized by her village and let go from her job as a construction worker, citing violation of Santal traditions. Budhini was outlawed for 'marrying outside her community'. Budhini Mejhani's is the tale of an uprooted life, told here through the contemporary lens of Rupri Murmu, a young journalist distantly related to her and determined to excavate her story. In this reimagined history, Sarah Joseph evokes Budhini with vigour, authority and panache, conjuring up a robust and endearing feminine character and reminding us of the lives and stories that should never be forgotten. Translated by her daughter, Sangeetha Sreenivasan, a fiercely individualistic novelist herself, Sarah Joseph's *Budhini* powerfully invokes the wider bio-politics of our relentless modernization and the dangers of being indifferent to ecological realities.

Holy Hell Oct 10 2020 Amma, universally known as "The Hugging Saint," went through a two-decade transformation from a simple fisherman's daughter to an international wonder worshiped by millions. Gail "Gayatri" Tredwell was there every step of the way--from early devotee to head female disciple, ever-present personal attendant, handmaiden, whipping post, and unwilling keeper of some devastating secrets. Because she became fluent in the Malayalam language and had continual intimate proximity to Amma for twenty years, Tredwell is uniquely capable of portraying this famous woman. She tells her tale with straightforward honesty, fairness, and a dash of Aussie snap and wit. Although the guru's flaws are a necessary part of her story and awakening, she strives to be factual throughout, digging deep to eschew victim frameworks and take responsibility for her own role in accepting the abuse and perpetuating the lies. Tredwell takes us vividly through her varying stages, starting with naïveté and innocent devotion, then on to dawning awareness and confusion, finally to emotional breakdown and her shocking "enlightenment"--her realization that the liberation she urgently required was in fact liberation from her own guru

My Story Sep 20 2021 First published in Malayalam in 1973, *My Story*, Kamala Das' sensational autobiography, shocked readers with its total disregard for mindless conventions and its fearless articulation of a subject still considered taboo. Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on the hypocrisies that informed traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.

The Legends of Khasak May 05 2020 A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, *The Legends of Khasak*, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary achievement
