**The Great Western Steam Retreat Jun 05 2020** In mid-1964, Keith Widdowson got wind that the Western Region was hell-bent on being the first to eliminate the steam locomotive on its tracks by December 1965. The 17-year-old hurriedly homed in on train services still in the hands of GWR steam power, aiming to catch runs with the last examples before their premature annihilation. The Great Western Steam Retreat recalls Widdowson's teenage exploits, soundtracked by hits from the Beatles, the Kinks and the Rolling Stones, throughout the Western Region and former Great Western Railway lines. He documents the extreme disorder that resulted from that decision, paying tribute to the train crews who managed to meet demanding timings in the face of declining cleanliness, the poor quality of coal and the major problem of recruiting both footplate and shed staff. This book completes the author's Steam Chase series and provides a snapshot into the comradery that characterised the final years of steam alongside the long-gone journeys that can never be recreated.

**Oxford Latin Course Jan 31 2020** Designed for North American students, this special version of the Oxford Latin Course combines the best features of both modern and traditional methods of Latin teaching, providing an exciting, stimulating introduction and approach to Latin based on the reading of original texts. In this four-volume North

American edition, the order of declensions corresponds to customary U.S. usage, and the spelling has been Americanized. In addition, it offers full-color illustrations and photographs throughout Parts I and II and an expanded Teacher's Book with translations for each part. Parts I-III (now available in hardcover editions) are built around a narrative detailing the life of Horace, now based more closely on historical sources, which helps students to get to know real Romans--with their daily activities, concerns, and habits--and to develop an understanding of Roman civilization during the time of Cicero and Augustus. Part IV (paperback) is a reader consisting of extracts from Caesar, Cicero, Catullus, Virgil, Livy, and Ovid. The second edition of the Oxford Latin Course has been carefully designed to maximize student interest, understanding, and competence. It features a clearer presentation of grammar, revised narrative passages, new background sections, more emphasis on daily life and on the role of women, a greater number and variety of exercises, and review chapters and tests. Each chapter opens with a set of cartoons with Latin captions that illustrate new grammar points. A Latin reading follows, with new vocabulary highlighted in the margins and follow-up exercises that focus on reading comprehension and grammatical analysis. A background essay in English concludes each chapter. Covering a variety of topics--from history to food, from slavery to travel, these engaging essays present a well-rounded picture of Augustan Rome. The Oxford Latin Course, Second Edition offers today's students and teachers an exceptionally engaging and attractive introduction to the language, literature, and culture of Rome--one that builds skills effectively and is exciting to use.

Who are your family and friends? Where can we see colors? How can we make music? Oxford Discover uses Big Questions such as these to tap into students' natural curiosity. It enables them to ask their own questions, find their own answers, and explore the world around them. This approach to language learning and literacy, supported by a controlled grammar and skills syllabus, helps students achieve near-native fluency in English. Oxford Discover gives teachers the tools to develop children's 21st century skills, creating young thinkers with great futures. Use with Show and Tell as part of 9-level course.

**Show and Tell, Level 3** Aug 08 2020 Creating young thinkers with great futures. Show and Tell taps into children's natural curiosity, asking a question such as "who makes you happy?" or "what do our senses tell us?" as the focus for each unit. Activities encourage children to explore the question while learning the language they need to think and talk about it. End-of-unit class projects consolidate learning and encourage children to work collaboratively. Opportunities to "Show and Tell" allow them to present their projects in class or at home, and to talk about what they have learned - in English! Stories, hand-eye coordination practice and letter formation activities lead to reading and writing simple sentences. Problem-solving activities encourage children to think critically and creatively. Values lessons teach children how to behave both inside and outside the classroom.
