[French for Engineering](#) [Feb 09 2021](#) French for Engineering prepares students to study and intern in France as engineers. Aimed at students with a CEFR B1 or ACTFL Intermediate-High level, the textbook uses a step-by-step progression of language-learning tasks and activities to develop students' skills at the CEFR C1 or ACTFL Advanced-High level. Authentic documents present students with tasks they will encounter as engineering students or interns in France. Online resources include a teacher handbook and a workbook with vocabulary-building activities, grammar-mastery exercises, and listening and reading comprehension activities, followed by questions requiring critical thinking. It is organized in a parallel with the textbook based on the flipped-classroom concept.

[The Government and Politics of France](#) [Apr 23 2022](#) The Government and Politics of France has been the leading textbook on French politics for over a generation, and continues to provide students with a comprehensive and incisive introduction to the intricacies of French politics and government. This edition updates every chapter, with the addition of a new chapter on France and Europe. Recent events necessitate a new approach, particularly the 2002 elections and the growing interpenetration of France and the EU in student programmes, as well as in the real world. This edition covers the shifting balance within France's two-headed executive, the paradoxes of the French party politics, the power and fragmentation of France's administration, the growing assertiveness of French local government, or the newly visible world of the judiciary, The Government and Politics of France has always sought to confront established paradigms with the complex and untidy reality of French politics at the grass roots. [Tricolore 5e Edition Student Edition](#) [Jan 25 2022](#) 5th edition of the high-ability French course, fully supported by Kerboodle.
