Big River, Big Man Nov 30 2019 The River is the Mississippi, enigmatic and treacherous. The Man is the American who conquered the West--the prototype of the restless, innocent and greedy nineteenth century dreamers who built the railroads and steamboats, who opened the Santa Fe Trail and despoiled the forests, who fought the Indians and each other. Here is the American Myth brought to life through men and women who matched the robust, ruthless age in which they lived. Caleb McSwasey dreamed of creating an empire in the wilderness. He ruled men but could not rule the woman of his choice. By guile and ruthlessness, Jim Buckmaster, the river hog carved a vast fortune out of virgin timber. He owned the river but not his conscience. Rolfe Torkelsen, heir to the river's treasure, finally balked at the price he would have to pay. A new era had begun. But the dark magic of one woman (there are many in this book) proved more powerful than any river hog or lumber baron. Esperanza von Zumwalt, in whom the blood of three races was fused in crucible, dominated two strong men, one who loved her and one who hated her. These are a few of the tall Americans in Thomas W. Duncan's prodigious novel of adventure and commerce, of love, war, peace and the making of a nation. Sweeping from Penobscot to Santa Fe, from the Wisconsin woods to Shiloh, Big River, Big Man is a novel with its roots in historical destiny. To read it is to capture the spirit and substance of an age -- Book jacket.

The FIAF Moving Image Cataloguing Manual Dec 24 2021 The FIAF Moving Image Cataloguing Manual is the result of many years of labor and collaboration with numerous professionals in the moving image field. It addresses the changes in information technology that we've seen over the past two decades, and aligns with modern cataloguing and metadata standards and concepts such as FRBR (Functional Requirements for Bibliographic Records), EN 15907, and RDA (Resource Description and Access). The manual is designed to be compatible with a variety of data structures, and provides charts, decision trees, examples, and other tools to help experts and non-experts alike in performing real-world cataloguing of moving image collections.

The Dog of the South Jul 07 2020 His wife, Norma, has run off with her ex-husband, taking Ray's cards, shotgun and car. But from the receipts, Ray can track where they've gone. He takes off after them, as does an irritatingly tenacious bail bondsman, both following the romantic couple's spending as far as Mexico. There Ray meets Dr Reo Symes, the seemingly down-on-his-luck and rather eccentric owner of a beaten up and broken down bus, who needs a ride to Belize. The further they drive, in a car held together by coat-hangers and excesses of oil, the wilder their journey gets. But they're not going to give up easily.
