Music of the Ghosts Feb 02 2020 This “novel of extraordinary humanity” (Madeleine Thien, author of *Do Not Say We Have Nothing*) from New York Times bestselling author Vaddey Ratner reveals “the endless ways that families can be forged and broken hearts held” (Chicago Tribune) as a young woman begins an odyssey to discover the truth about her missing father. Leaving the safety of America, Teera returns to Cambodia for the first time since her harrowing escape as a child refugee. She carries a letter from a man who mysteriously signs himself as “the Old Musician” and claims to have known her father in the Khmer Rouge prison where he disappeared twenty-five years ago. In Phnom Penh, Teera finds a society still in turmoil, where perpetrators and survivors of unfathomable violence live side by side, striving to mend their still beloved country. She meets a young doctor who begins to open her heart, confronts her long-buried memories, and prepares to learn her father’s fate. Meanwhile, the Old Musician, who earns his modest keep playing ceremonial music at a temple, awaits Teera’s visit. He will have to confess the bonds he shared with her parents, the passion with which they all embraced the Khmer Rouge’s illusory promise of a democratic society, and the truth about her father’s end. A love story for things lost and restored, a lyrical hymn to the power of forgiveness, *Music of the Ghosts* is a “sensitive portrait of the inheritance of survival” (USA TODAY)

and a journey through the embattled geography of the heart where love can be reborn.

Sing a Song Mar 05 2020 "Lyons delivers the history of a song that has inspired generations of African-Americans to persist and resist in the face of racism and systemic oppression. . . . A heartfelt history of a historic anthem."-- Publishers Weekly Sing a song full of the faith that the dark past has taught us. Sing a song full of the hope that the present has brought us. In Jacksonville, Florida, two brothers, one of them the principal of a segregated, all-black school, wrote the song "Lift Every Voice and Sing" so his students could sing it for a tribute to Abraham Lincoln's birthday in 1900. From that moment on, the song has provided inspiration and solace for generations of Black families. Mothers and fathers passed it on to their children who sang it to their children and grandchildren. Known as the Black National Anthem, it has been sung during major moments of the Civil Rights Movement and at family gatherings and college graduations. Inspired by this song's enduring significance, Kelly Starling Lyons and Keith Mallett tell a story about the generations of families who gained hope and strength from the song's inspiring words. --A CCBC Choice --A Notable Social Studies Trade Book for Young People --An ALSC Notable Children's Book
