**Auto Repair For Dummies** Oct 29 2019 Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026).

While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Advertising Strategy Jan 31 2020 Advertising Strategy provides students with the experience of an actively teaching professor at one of the top advertising programs in the country and a working creative director/agency principle. Altstiel and Grow get right to the point by stressing key principles, illustrating them, and then providing practical information students and working professionals can use. Unlike many books that focus on only work created for large consumer accounts by mega agencies, this text also covers business-to-business, in-house, and small agency work. Key Features: - Up-to-date examples: over half were

produced in the last two years. - Writing for the Internet/Interactive Marketing: the most comprehensive and up to date general copywriting text that covers the Internet - Diversity discussion: a whole chapter is devoted to these issues, plus examples and case histories related to issues of diversity are woven throughout the text. - War Stories: the authors tracked down some of the hottest professionals in the business and their anecdotes bring real world experience into each chapter. They are part case history, part lessons-to-be-learned and sometimes, very funny. - Words of Wisdom: timely quotes from some of the most influential people in our business, past and present. These quotes bring key points to life in every chapter. - Who's Who: short biographies of people mentioned in the book. Located at the end of each chapter, these blurbs sometimes include very personal information provided directly by these people.

**Lemon-Aid New Cars and Trucks 2011** Jun 29 2022 As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says

Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz -- rich cars, poor quality. There's only one Saturn you should buy. Toyota -- enough apologies: "when you mess up, 'fess up."
