Debating Women's Equality May 14 2021 Gerhard (sociology, Johann Wolfgang Goethe University, Germany) examines equality as a principle and practice of law in history, and legal theory from a feminist perspective. She reviews the history of the women's movement in the 19th and 20th centuries, with a focus on Germany, and examines three major legal issues: women's rights in the public sphere, women's legal capacities in private law, and women's human rights. This work was first published in German in 1990 (C.H. Beck'sche Verlagsbuchhandlung); this American edition, somewhat revised, was translated by Allison Brown and Belinder Cooper and includes a new foreword. c. Book News Inc.

151 Essays Feb 29 2020 151, that's Not at all the Number of Essays covered in the Bestselling Book, Penned by Renowned Author Mr. S C Gupta, 151 Essays is a Complete Guide to help students learn the art of essay writing through More than 160 Essays covering the panoramic view of topics on Contemporary, Social, Environmental, Political, Education, Economic, Science & Technology, International, Personalities, Proverbial & Idiomatic, Sports and Many More The Book starts with a focus on developing the craft of essay writing which needs detailed knowledge of the topic, discipline of mind, analytical skills to draw a conclusion, rich vocabulary to express the thoughts, grammatical accuracy and coherence of thoughts and ideas for contextual writing. **Summary Start With Why Aug 29 2022 Start with Why - A Complete Summary Start with Why is a book written by Simon Sinek. Someone may ask, what is so special about this book? In this book, Sinek discusses success, but not in the usual, "follow these steps to achieve anything you want," way. Sinek uses a different approach than readers tend to find in other literature of the same type. The very first premise that the author uses to lead us into his book is a premise that contains one simple word: why. Why do some people reach success while others do not? Why do some groups manage to team-up and endure challenges, thus succeeding, while others fail to do so? What is it that makes some people different from others when it comes to achieving success? The entire book revolves around that question word. But the interesting thing about it, which eventually leads to even more interesting conclusion, is that there is an answer to this "why." Sinek uses many examples from real life and from people he knew or had researched, and shows how they managed to succeed. By using these examples, the author shows his readers that if others can succeed, so can we. When it comes to practical answers to "why," the author invests significant effort in finding all the answers. Start with Why is an intriguing and fascinating read, which will surely make readers ask themselves this simple, yet tricky question: why? Here Is A Preview Of What You Will Get: - A summarized version of the book. - You will find the book analyzed to further strengthen your knowledge. - Fun multiple choice quizzes, along with answers to help you learn about the book. Get a copy, and learn everything about Start with Why.**

**Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—American Journal of Archaeology "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—Library Journal**

**Oru Manithanin Kathai Oct 19 2021 Sivasankari (born October 14, 1942) is a renowned Tamil writer and activist. She has carved a niche for herself in the Tamil literary world during the last four decades with her works that reflect an awareness on social issues, a special sensitivity to social problems, and a commitment to set people thinking. She has many novels, novellas, short stories, travelogues, articles and biographies to her credit. Her works have been translated into several Indian languages, English, Japanese and Ukrainian. Eight of her novels have been made into films, having directed by renowned directors like K. Balachander, SP Muthuraman and Mahendran. Her novel 'Kutti' on girl child labour, filmed by the director Janaki Viswanathan, won the President's Award. Sivasankari's novels have also been made as teleserials, and have won the national as well as regional 'Best Mega Serial' awards. As a multi-faceted personality, she has won many prestigious awards including Kasturi Srinivasan Award, Raja Sir Annamalai Chettiyar Award, Bharatiya Bhasha Parishad Award, 'Woman of the year 1999-2000' by the International Women's Association, and so on. 'Knit India Through Literature' is her mega-project involving intense sourcing, research and translations of literature from 18 Indian languages, with a mission to introduce Indians to other Indians through culture and literature.**

**Women's Rights Mar 12 2021 Publisher Description**

**Krishna Krishna Jul 24 2019 Indira Parthasarathy** calls Krishna a metaphor that fulfils all the dark and lurking desires in our deep Unconscious and represents the collective vision of the community as a whole. In his view Krishna cannot be judged by the moral yardstick set for others. Krishna's magical charm has always appealed to people of all generations. People from different lifestyles have interpreted his ideologies based on their values. He exists in the imagination of the Indian people as the fountainhead of eternal energy, pranks and wisdom. His godfather-like relationship with the Pandavas, his political strategies and his solutions to various problems continue to impress us even in the twenty-first century. Narada, the narrator of the novel, begins the story with Jara the hunter shooting an arrow at Krishna's feet in the aftermath of the Kurukshetra war. Narada's witticisms enhance the spirit of the story. He unfolds to us the life of Krishna as revealed to Jara by Krishna himself. The pranks young Krishna played on the gopikas, his battle with various evil forces, his role in the lives of the Pandavas and the part he played in the Kurukshetra war all these form interesting episodes in Krishna's life. Indira Parthasarathy's Krishna Krishna is more than the the lord's story as told in the Harivamsam, Sri Bhagavatam, Vishnu Purana and the Mahabharata. Here he is the hero, the central figure around whom things happen unlike the Krishna of the epics. The novel gives us the essence of the Krishnavatara, revealing the surpassing love and compassion with which Krishna blesses all living things. The tale is told in a contemporary idiom, sparkling with reference to events and personalities across aeons.

**Delhi is Not Far Jun 26 2022 The essential Ruskin Bond** Delhi Is Not Far brings together the best of Ruskin Bond's prose and poetry. For over four decades, by way of innumerable novels, essays, short stories, and poems, the author has mapped out and peopled a unique literary landscape. This anthology has selections from all of his major books and also features an unpublished novella, Delhi Is Not Far. 'Bond's sentences are moist with dew and the mountain air, with charm, nostalgia and underplayed humour... (he is) our resident Wordsworth in prose.' --India Today

**Linguistic Archaeology of South Asia Feb 08 2021 Linguistics Archaeology of South Asia** brings together linguistics and archaeological evidence of South Asian prehistory.

**Children, Women, Men Jan 22 2022** This intricately woven narrative is one of

for all general concepts; brings out the interplay between the qualitative and the quantitative in all areas covered, particularly in the treatment of recursion and induction; balances carefully the abstract and concrete, principles and proofs, specific facts and general perspectives; includes highlight boxes that raise common queries and clear confusions; provides numerous exercises, with selected solutions.

**A Concise History of South India Dec 09 2020** The course of south Indian history from pre-historic times to the contemporary era is a complex narrative with many interpretations. Reflecting recent advances in the study of the region, this volume provides an assessment of the events and socio-cultural development of south India through a comprehensive analysis of its historical trajectory. Investigating the region's states and configurations, this book covers a wide range of topics that include the origins of the early inhabitants, formation of the ancient kingdoms, advancement of agriculture, new religious movements based on bhakti, and consolidation of centralized states in the medieval period. It further explores the growth of industries in relation to the development of East-West maritime trade in the Indian Ocean as well as the wave of Islamicization and the course of commercial relations with various European countries. The book then goes on to discuss the advent of early-modern state rule, impact of the raiyatwari system introduced by the British, debates about whether the region's economy developed or deteriorated during the eighteenth century, decline of matriliney in Kerala, emergence of the Dravidian Movement, and the intertwining of politics with contemporary popular culture. Well illustrated with maps and images, and incorporating new archaeological evidence and historiography, this volume presents new perspectives on a gamut of issues relating to communities, languages, and cultures of a macro-region that continues to fascinate scholars and readers alike.

**Queering Narratives of Domestic Violence and Abuse Sep 17 2021** This book is the first to focus on violent and/or 'abusive' behaviours in lesbian, gay, bisexual and/or transgender, non-binary gender or genderqueer people's intimate relationships. It provides fresh empirical data from a comprehensive mixed-methods study and novel theoretical insights to destabilise and queer existing narratives about intimate partner violence and abuse (IPVA). Key to the analysis, the book argues, is the extent to which Michael Johnson's landmark typology of IPVA can be used to make sense of the survey data and accounts of 'abusive' behaviours given by LGB and/or T+ participants. As well as calling for IPVA scholars to challenge heteronormativity and cisnormativity and improve IPVA measurement, this book offers guidance and a new tool to assist practitioners from a variety of relationships services with identifying victims/survivors and perpetrators in LGB and/or T+ people's relationships. It will appeal to academics and practitioners in the field of domestic violence and abuse.

**Object Oriented Programming Through Java Jun 22 2019** Covering both the fundamentals and applications, Object Oriented Programming through Java provides a thorough introduction to this popular programming paradigm. It includes coverage of essential topics such as classes, objects, packages, interfaces, multithreading, AWT, Applets, and Swings. The book also includes a detailed overview of various practical applications, including JDBC, Networking classes, and servlets. It contains exercises at the end of every

chapter, and sample illustrative programs are used throughout the book. It is a text for courses on object oriented Java programming and a reference for professionals.

**The Almost Queen Oct 07 2020** *The Witch Needs Her Freedom.* Ellara Wist, one of the many witches that fought on the losing side of the war, has no intentions of returning to Outerland when it is finished and she has no intention of letting her fellow witches suffer either. So, during her sentencing for war crimes against the kingdom of Aulen, she boldly offers their new king a proposal: she'll join the king's court as his own personal sorceress in exchange for the lives and freedom of those trapped in Outerland. **The King Needs a Wife.** Terran didn't want to be king. But after years of war and the loss of almost his entire family, he will not put the crown aside. But when a witch from his past offers herself as a sacrifice, he sees her as an equal. So, he instead counters her offer with one of his own: Don't be my sorceress. Be my Queen. And the deal they strike will change their world forever. Desperate, Ellara agrees, swearing to herself that she could never love him. But as time reveals the man she's married not as the monster everyone thought he was and danger draws them closer together, she finds her vow almost impossible to keep.

**The Eye of the Serpent Dec 21 2021** This is a quintessential book for Cinema buffs and particularly those who are passionate about Tamil cinema, which has the distinction of having played a significant role in history of films in India. Tracing the evolution of Tamil films from the time of pre-independence, when it was anathema for local Congress leaders to be associated with the celluloid, to the arrival of an American, Ellis Dungan, who made masterpieces like Meera, the book showcases vignettes about every important milestone in the vast canvas of Tamil films. In the almost ten decades of its evolution, Tamil cinema has grown to exert a dominant influence on the social and political life of Tamil Nadu in a manner that is unparalleled elsewhere in the world. This seminal volume is an analytical study of Tamil cinema both as an art form and as a socio-political force. Theodore Baskaran traces its history, and presents the achievements of many filmmakers with colourful insights. For the film buff as well as the serious student of film studies, *The Eye of the Serpent* is a handy reference book on several aspects of Tamil cinema - its character and evolution, the songs and songwriters, filmmakers and script writers, the beginnings of the unique nexus between cinema and politics in Tamil Nadu and much more.
