[Comrades, Avenue Us](#) May 31 2022 Maj. William Macnaughton of the Canadian army and Maj. John Bowles of O.S.S. lead a team into occupied Yugoslavia. Captured on Christmas 1944, the team's enlisted men are mercilessly beheaded while Bowles and Macnaughton are held as bargaining chips in case Germany loses the war. Tortured by the SS, and then liberated at the end of the war--Bowles and Macnaughton hunt for their captors across four continents to bring them to justice. The book delves into how the United States actually helped some Nazi war criminals escape, including the Nazi who helped put Neil Armstrong on the moon even though he had killed a bunch of GIs in an underground V-2 factory because one of them allegedly stole a loaf of bread. Other points of historical interest is the story of the attempt by Sen. Joseph R. McCarthy, R-Wis., to get all of the killers responsible for the Malmdy Massacre off the hook. McCarthy claimed the U.S. Army obtained confessions by torturing the SS men by attacking their genitals. That charge turns out to be a lie. Bowles an all-American from Ohio and Macnaughton who becomes the last Canadian to be knighted organize a team to capture the perpetrators in a story of revenge in the page-turner thriller "Comrades, Avenue us." Reviews: by Edward J.Trout, a schoolteacher from Bristol, Pa. I read Stephen's Book in record time. Kudos to Mr. Esrati for a "great" read. It was one of those "rare books" that one wants to slow down when one nears the end. Well all readers of this genre know why. There are few authors who can carry the reader and accurate history in their narrative. Stephen's technique of having his characters narrate "mini-history lessons" on such a complex topic was a "sui-generis" stylistic accomplishment. Review: by Kevin Begin, a musician from Dayton, Ohio Stephen Esrati wrote a book that kept my interest from start to finish. I thought I was reading a non-fiction novel until I read the acknowledgements at the end. The story moves quickly starting at the planning stage of a military intelligence operation during WWII and finally focusing on the search for Nazi war criminals. The book has no slow sections, and as such, I was always engrossed with the material. What makes the book read like non-fiction must be the result of Mr. Esrati's diligent research into the people and places that comprise this book. I highly recommend this book to anyone that loves adventure and the pursuit of justice.

I Shot Frank Zappa Apr 29 2022 This is the autobiography of Robert Davidson, who shot to fame with his iconic photograph of Frank Zappa with his trousers around his ankles, on the loo chatting to his wife on the phone. Known as the 'Zappa Krappa' these pictures gained cult status, as Zappa said, "I'm probably more famous for sitting on the toilet than for anything else." On the 16th of August 1967, 25 year old Robert Davidson was at The Royal Garden Hotel with band promoter Tony Secunda as part of a press call for Frank Zappa's upcoming concert at the Royal Albert Hall, a day that was to change his life forever. It was swelteringly hot. The room was heaving with press. Zappa disappeared to go to the bathroom. Wandering around the penthouse apartment, looking for a photo opportunity, Robert found Zappa, stripped, with his trousers around his ankles, sitting on the loo chatting to his wife Gail on the phone. The open doorway framed the shot perfectly. It was too good to miss. Robert asked permission to take some photos. Zappa saying to his wife. "Some limey wants to take my picture on the John. Sure, whatever turns him on." This set of images, immediately gained cult status, a sentiment echoed by Zappa himself in 1983, when he stated, "I'm probably more famous for sitting on the toilet than for anything else." Despite one of the photographs becoming a worldwide bestselling poster, Robert never received any royalties. I Shot Frank Zappa chronicles Robert's efforts over the years to reclaim copyright and ownership of the negatives, and in the process takes the reader on a journey through the drug fuelled Swinging Sixties of London up to the current day, where characters like the Krays, the models Twiggy and Celia Hammond and later Kate Moss trip lightly over the pages. It is not just a story about stolen copyright. It describes a man's personal journey and his struggle to balance the demands of family life with failing mental health. I Shot Frank Zappa is a story of serendipity and redemption and the refusal to give up when the world seems against you, all seen through Robert's eyes, which filter events with warmth and humanity, like the lens of the camera, behind which he prefers to hide.

Patches on My Britches Jan 27 2022 Trailing Emotions is the second poetry book authored by Shirley J Black, which continues from her first book A Place For My Soul Filled With Flowers, which exposes the author's pure feelings and emotions from a life dealing with cancer. From confusion and pain to love and life, Shirley tells a story in poetry of the reflections of her life. Trailing Emotions is wholly embodied in the emotions of her later life in 2007 having lived through the pain and emotional agony to a certain stage. Culminated in this book is not just the story of her livelihood and fight against her medical conditions, but the emotional distress in the lack of intimacy and her lack of romance and love for her loved ones. This book is a reflection of Shirley's aggressive determination and strength to prove to others in her capacity of how one can be a role model even through trying times, like hers. She further goes into the depths of her love life and the dreams of an ideal setting should she had never faced herself with a deadly disease like breast cancer. A truly sensational and intimate poetry art is delivered in this book through her own preferred and selected words.

A Very Corgi Christmas Nov 24 2021 Wrap up warm and join little corgis Belle and Pip on a Christmas adventure in London! Belle LOVES the bustle of Christmas preparations at Buckingham Palace, but her family say she's in the way, and that Christmas is NOT for corgis! So Belle decides to slip out and explore London, where she's sure there will be Christmas spirit in abundance! But on the busy streets, Belle finds everything a bit too bright, a bit too noisy and FAR TOO LOUD! Luckily, a streetwise puppy called Pip turns up and whisks Belle off on a wonderfully romantic whirl around the sights of London. All too soon it's time to head home, but when the couple finally work out how to get back into the palace . . . Pip disappears. Will Belle ever see him again? Perhaps . . . with the help of a special royal couple, who might just bring Belle a wonderful Christmas surprise. For dog-lovers everywhere, this Lady and the Tramp-esque romp around London at Christmas is full of heart . . . and waggy tails!

Courage Feb 02 2020 What is courage? Certainly it takes courage for a firefighter to rescue someone trapped in a burning building, but there are many other kinds of courage too. Everyday kinds that normal, ordinary people exhibit all the time, like "being the first to make up after an argument," or "going to bed without a nightlight." Bernard Waber explores the many varied kinds of courage and celebrates the moments, big and small, that bring out the hero in each of us.

Nightmare Before Christmas 13 Days of Christmas Apr 17 2021 What happens when two holidays collide? Thirteen days of frighteningly festive fun Count down the days to see Jack, Sally, and their Halloween Town friends put a spooky spin on Christmas traditions Jack Skellington is here from Halloween Town. You'll notice his handiwork scattered around. This year, he's decided to play Sandy Claws. But when Halloween creates Christmas . . . you might see a few flaws. From the minds of Tim Burton, Disney Imagineers, and acclaimed artist Jerrod Maruyama comes a picture book celebrating the classic animated film and the Disneyland ride it inspired. Renowned Imagineers Steven Davison and Carolyn Gardner's text turns turtle doves and French hens into floating candles and true-love potions, accompanied by beloved Burton characters painted in a new art style that will appeal to fans of all ages. Adorably spooky and delightfully festive, this tale will get fans of all ages into the holiday spirit

The Year the World Went Mad Aug 10 2020 'An essential book.' -Matt Ridley In January 2020, leading epidemiologist Professor Mark Woolhouse learned of a new virus taking hold in China. He immediately foresaw a hard road ahead for the entire world, and emailed the Chief Medical Officer of Scotland warning that the UK should urgently begin preparations. A few days later he received a polite reply stating only that everything was under control. In this astonishing account, Mark Woolhouse shares his story as an insider, having served on advisory groups to both the Scottish and UK governments. He reveals the disregarded advice, frustration of dealing with politicians, and the missteps that led to the deaths of vulnerable people, damage to livelihoods and the disruption of education. He explains the follies of lockdown and sets out the alternatives. Finally, he warns that when the next pandemic comes, we must not dither and we must not panic; never again should we make a global crisis even worse. The Year the World Went Mad puts our recent, devastating, history in a completely new light.

[Duncan Grant](#) Dec 14 2020 The life of the painter and designer Duncan Grant spanned great changes in society and art, from Edwardian Britain to the 1970s, from Alma-Tadema to Gilbert and George. This authoritative biography combines an engrossing narrative with an invaluable assessment of Grant's individual achievement and his place within Bloomsbury and in the wider development of British art. 'Spalding's skill is to sketch out the intricate emotional web against the bright bold untouchable figure of the artist. . . Her achievement is to let that sense of a man living with his craft shine through on every page: the result is an exceptionally honest and warm portrait.' Financial Times

[Living in Color: What's Funny about Me](#) Jan 03 2020 In 1990, Tommy Davidson burst onto the scene in the Emmy Award-winning show *In Living Color*, a pioneering sketch comedy show, featuring a multi-racial cast of actors and dancers who spoke to an underrepresented new generation created by Hip Hop Nation. A story of black excellence, in this revealing memoir, Tommy shares his unique perspective on making it in Hollywood, being an integral part of television history, on fame and family, and on living a life that has never been black and white—just funny and true. . . . Abandoned as an infant on the streets of Greenville, Mississippi, and rescued by a loving white family, Tommy Davidson spent most of his childhood unaware that he was different from his brother and sister. All that changed as he came of age in a society of racial barriers—ones that he was soon to help break. On a fledgling network, Tommy joined the cast of *In Living Color*, alongside other relative newcomers including Jim Carrey, Rosie Perez, Jamie Foxx and Jennifer Lopez—all united by an ingenious throng of Wayans siblings (Keenen, Damon, Kim, Shawn, and Marlon), poised to break new ground. Now Tommy gives readers the never-before-told behind-the-scenes story of the first show born of the Hip Hop Nation: from its incredible rise, to his own creation of such unforgettable characters as Sweet Tooth Jones and dead-on impressions of Sammy Davis, Jr., Michael Jackson, M.C. Hammer and Sugar Ray Leonard, and appearing in such classic sketches as "Homie The Clown," the "Hey Mon, family," and the unforgettable "Ugly Woman," through guest-star skirmishes (and black eyes) to backstage tensions and the eventual fall of this pop-culture touchstone. He reveals his own nascent career on the stand-up circuit with Adam Sandler, Jerry Seinfeld, Louie Anderson and performing with Eddie Murphy and Richard Pryor, as well as reflections on working with Spike Lee, Halle Berry, Sam Jackson, Chris Rock and Jada Pinkett Smith. And he also shares his very personal story of living with—and being inspired and empowered by—two distinct family histories. Told with humor and hard-won honesty by a singular voice whose family and friendships help him navigate a life of personal and professional highs and lows, *Living in Color* is a bracing, illuminating, and remarkable success story. An homage to the groundbreaking series *In Living Color* was featured in Bruno Mars's music video for his hit song *Finesse*, a remixed collaboration with Cardi B. It was a loving tribute that exemplified the sustained cultural impact of the show, and now 90s kids can dig into their nostalgia through this humorous memoir of one of its stars!

Worse yet, Dana secretly belongs to a coalition of girls that protects humanity from the horde of deadly monsters plaguing the city—monsters that have chosen Jake as their next target! Jake's no hero; he just wants to make it to varsity tryouts. But now the impulsive and moody Dana is the only one who can save Jake from certain death—and Jake is the only one who can save Dana from herself.

Neville Davidson Nov 05 2022 Rev. Dr. A. Neville Davidson (1899–1976), minister of Glasgow Cathedral for over thirty years, was one of the most distinguished Scottish churchmen of the twentieth century. A living embodiment of the idea of "a broad churchman," he was both a representative of the high church "Scoto-Catholic" tradition and a key supporter of Billy Graham's 1955 evangelistic campaign. Throughout most of his life he kept a detailed diary and for the first time, in this book, this rich source of material is drawn upon, in addition to the reminiscences of those who knew him, giving a unique insight into the man behind the dignified public persona. Neville Davidson: A Life to be Lived not only paints a portrait of a historically significant figure but reveals him to be a man of vision who was constantly thinking of innovative ways to communicate the church's message to ordinary people and who worked tirelessly for ecumenical cooperation. As such, Neville Davidson has much to say that is relevant to our own time.

Dictionary of Twentieth-Century British Cartoonists and Caricaturists Jan 15 2021 British cartoonists and caricaturists are renowned worldwide. Originally published in 2000, this indispensable handbook offers a unique 'who's who' of all the major artists working in Britain in the twentieth century and contains nearly 500 entries. Extensively illustrated, the book provides information on the work of artists such as Steve Bell, Gerald Scarfe, Posy Simmonds, Ronald Searle, Trog, mac and Larry as well as such past masters as David Low, Vicky, H. M. Bateman, Illingworth, Heath Robinson and more. The dictionary concentrates primarily on political cartoonists, caricaturists and joke or 'gag' cartoonists, actively working for the main Fleet Street national dailies and weeklies from 1900 to 1995. Each entry is cross-referenced and provides a concise biographical outline with an account of the artist's style, influences and preferred medium. Where relevant the entry includes suggestions for further reading and notes solo exhibitions, books illustrated and works held in public collections. The Dictionary of Twentieth-Century British Cartoonists and Caricaturists offers an insight into the lives of satirical artists working during a century that provoked cartoonists and caricaturists to a pitch of comic and artistic invention that has rarely been matched.
