Chicken Soup for the Soul, Everyday Catholicism: Hearing God's Answers in Our Lives Jun 29 2022 Since the beginning of time and throughout all history, people have inspired and upheld one another by sharing their stories of faith, in times of trial and in times of joy. With that same conviction and mission we have gathered these true stories from prayerful Catholics around the world to continue this legacy. These heart-warming, hope-filled stories prove the power of prayer and clarify God's presence and guidance in our everyday lives. This collection of stories includes those of: • Dottie, distraught over her daughter's anorexia, who renews her confidence in a devotion from her childhood. ("Sacred Heart of Jesus") • Sally, mother of four daughters and a son, who receives her son's slowly unfolding news that he has decided to become a priest. ("My Son's New Job") • Deborah, who, left penniless

after a divorce, hardly dares to answer when asked by new friends at a retreat, "What do you need?" ("Miracle Soup") • Connie, whose sister's patience wears thin over prayers to St. Anthony to find a lost wallet. ("Just Pray to St. Anthony") • Martha, whose sister Jacki says God always provides for her needs, who then calls and asks, "Guess what?" ("The Christmas Bonus") • Martha, who days before her daughter's wedding, despairs of finding a location for the family party and bridal shower. ("A Picture in a Prayer") • Beth, with a Stage IV diagnosis, who returns to her doctor after a holy oil anointing. ("One Year") • Susanna, who has eight new friends with only two things in common: the military and some connection to Catholicism. ("Like Beads on a String") • Emily Sue, who wished she had listened to all the details of her dad's stories before his unexpected death, but whose melancholy vanishes as she finds a gift she had earlier been too busy to receive. ("To Susie With Love") These stories will lift your spirits and nourish your souls. Read them one at a time, alone or in a group. Savor the scripture verse or quotation. Embrace the message. Deepen your faith. Take God's hand as He guides you on your journey of hope.

FIREARM SAFETY CERTIFICATE - M Oct 02 2022

The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those

firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..
